No to Underage Drinking

“No criminal record for me”

It is illegal to pretend that you are over the age of 18 in order to buy alcohol.

It is also illegal for a trader to sell to a minor.

It is illegal for you to consume alcohol under 18.

If you do so, both you and the trader could end up being jailed, which means a criminal record and possibly paying a huge fine.

Don't end up in jail or limit your life plans.

A brighter future and good jobs are not an option if you have a criminal record.
